munchies

Allergen Information Guide

We prepare our food in kitchens where allergens are present and shared equipment is used. Although we handle your meal with care, we cannot ensure it is allergen free, even if requested ingredients are removed.

PLEASE NOTE:

- Our buns and tortilla wraps are toasted in different toasters. However, the same bun toaster is used for toasting all categories of buns which includes the buns topped with sesame seeds.
- Due to the handling of cheese we cannot guarantee our products do not contain traces of milk, including where a request has been made to remove cheese from an order.
- Our Fries and Hash Browns are cooked in the same oil as Veggie patties.
- Delivery orders: We also cannot guarantee your meal will not come into contact with other allergens during delivery. Couriers may transport other Munchies orders or orders from other businesses at the same time as your Munchies order.
- Always check the packaging / product label for ingredients list and allergen information.
- For any further information please contact the Munchies specific store by visiting our website – www.lovemunchies.co.uk.

Information correct at time of print, July 2026.

Some menu items may not be available in all restaurants. This listing is updated regularly in an attempt to reflect the current status of our products and may vary from other printed materials in the restaurant. All information on this leaflet applies to UK only and is subject to change without notice.

Halifax Road Allergen Sheet

MC	May contain - due to allergen being present in assembling or manufacturing
√	Allergen contained in product
OC	Only cheese - Due to the preparation methods used not suitable for allergen sufferers
